

Tobacco Hot Potato Game!

I. Object of Game

Teach Tobacco Facts/ Icebreaker

II. Ages:

Five and up. Modify tobacco facts for each age group. Young children may need help reading and answering questions.

III. Materials:

Markers, blank paper, music/ music player, prizes

IV. Set up

Prepare tobacco trivia questions on separate sheets of blank paper, one question per paper. Take one paper and roll into ball. Wrap second paper around ball until all the papers are added to make **one big paper ball**.

V. Play the Game

Ask participants to form a circle

Explain the rules of Tobacco Hot Potato.

The leader starts background music, and will throw the paper ball into the circle and the participants will keep it moving like a hot potato.

When the music stops, the person with the potato must remove the top layer of the ball and read question on paper.

The player can attempt to answer the question or pass to someone else.

The leader then gives the correct answer with explanation and the music starts again.

This pattern continues until all the tobacco facts are read.

As an incentive, prizes can be given for correct answers.

Trivia questions provided below:
